

Return this card to the Records Officer at the end of each month to record all scores shot, and to calculate Classification, Handicaps and Progress Awards achieved.

Please record the scores obtained of all completed rounds shot.

The *H/C* and *Cl.* columns should be completed by the Records Officer.

The Records Officer will calculate your current classification and handicap and return your Shooting Record Card along with any awards you have achieved.

Age Classifications use the birth year rather than the day of birth.

You are in an age group until the 31st of December on the year of that birthday.

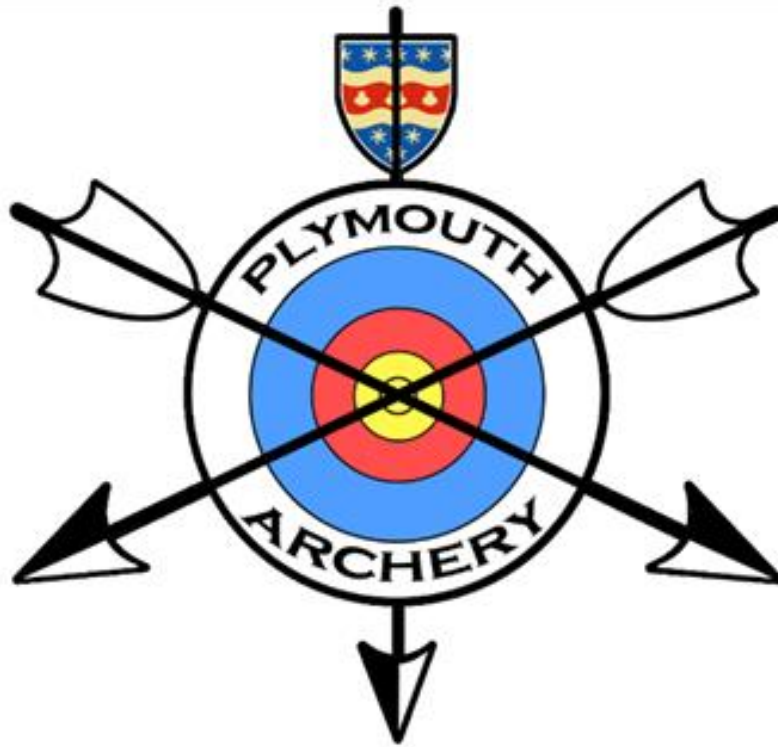

For example, you can compete in the Under 21 category until the 31st of December of the calendar year containing your 20th birthday.

Copies of the Classification and Handicap tables can be found on the Archery GB website.

Archer classifications can be claimed at club shoots.

Bowmen classifications can be claimed at any competitive events.

Master Bowman classifications can only be claimed at Record Status Competitions.
